In reply Dewan's query as to whether teaching students is not one of the duties of the Pandit & Hakim of the Indigenous Hospital it is respectfully submitted that this enquiry having been made so far back as the 18th January 1902 the President reported that no such condition was imposed when the Pandit was first entertained. The Councillor is in favour.

I am not aware that additional work was one of the grounds urged in favour of the proposed increase of pay proposed for the Pandit However both the Pandit and the Hakim are doing excellent work & I do not refuse to sanction the proposed increase which both the Boards concerned are agreeable.
